Mayor Leif Johansson called the workshop to order at 5:00 to discuss Christmas decorating for light the night.

It was discussed that in the past years the lighting of the Christmas tree in the plaza had music, hot chocolate, cookies a long with a fire. The Council discussed if there were other ideas that the Town would like to do for light the night. A parade was introduced, and the Town decided to have a little parade with Santa. After the parade is done Santa will sit in the caboose and greet kids.

The Council discussed in the past one of the schools in Rawlins has been the entertainment either the high, middle or elementary school. The Town will reach out to the schools to see if they are interested.

The Council asked that the Town reached out to the refinery to see if they are willing to help with the hot chocolate or anything as they have helped in the past.

The Council also discussed November 11 2021 as the date the Town will have a pot luck and decorate for light the night. The decorating of the lights will start at 3:00 pm and residents are invited and are asked to bring an item to share for a pot luck.

Council discussed was having a Christmas Bazaar on November 20 2021 at the rec. center followed by a movie in the theater.

The last thing that was discussed was the day that the Councilmembers would like to hold the maintenance interviews and October 19, 2021 was the date most could make it. It was discussed to record the interviews so the others that could not make it to the interviews could hear them.

Workshop adjourned at 6:58 p.m.
